

---

The safety of our children is of utmost importance.

Please remember the following guidelines when dropping off and collecting your children from school.

- Enter from the East Gate.
- When driving in, always endeavour to use the first space available.
- Do not park outside the gate.
- You will be asked to move your car if you are parked in the wrong place.
- Please be strict with your children and insist that they walk with you or their driver to the car.
- Do not allow your children to run to the car. Drivers may not be able to clearly see your child.
- Take extra care when driving in and out of the car park. Your speed should not exceed 5 km/hour.

We hope that we can work together to ensure that our children are always safe.
